2020

Selby & Friends is extremely fortunate to be supported by many wonderful people who have enabled us to continue presenting concerts each year. Our tours are funded almost entirely by ticket sales and the generosity of our audience. The following audience members are currently supporting the 2020 Season with donations through the Australian Cultural Fund/Creative Partnerships Australia.

Every cent received is most gratefully appreciated!

Aside from our national tours, we also have a wish-list of projects such as programs with larger ensembles, new commissions & international touring.

Please visit the Support link on our website for more information about tax deductible donations to Selby & Friends or call us on 1300 511 099.

### Our grateful thanks to our 2020 Season Patrons!\*
